

Learning Styles Quiz for Students

Read each question and circle your answer. Then add up how many A's, B's, C's and D's you chose. This will help you determine which learning style(s) you identify with the most.

| In class, I pay attention most when... | |
|--|------------------------------------|
| A | I'm shown pictures on the screen |
| B | We are having a class discussion |
| C | I complete a worksheet |
| D | I learn a song with body movements |

| I learn best by... | |
|--------------------|------------------------|
| A | Watching a video |
| B | Listening to a podcast |
| C | Reading a textbook |
| D | Doing an experiment |

| When the teacher is talking, I usually notice... | |
|--|-------------------------------------|
| A | Any difference in their appearance |
| B | The changes in sound of their voice |
| C | Everything they are saying |
| D | The doodles on my notebook |

| The easiest questions to answer are... | |
|--|---------------------------------------|
| A | Questions with pictures |
| B | Questions that are read aloud to me |
| C | Questions that are word problems |
| D | Questions that ask me to do something |

| My favorite classroom job is... | |
|---------------------------------|---------------------------------------|
| A | Hanging new pictures or posters |
| B | Reading directions to the class |
| C | Taking notes for a task |
| D | Walking around, handing out materials |

| My favorite projects are... | |
|-----------------------------|---------------------|
| A | Art projects |
| B | Music projects |
| C | Book reports |
| D | Science experiments |

| The best way I learn something new is by... | |
|---|---|
| A | Watching someone else do it first |
| B | Listening to someone explain how to do it |
| C | Reading instructions about how to do it |
| D | Trying it out and learning along the way |

| In group projects, I like to... | |
|---------------------------------|--------------------------------------|
| A | Draw the pictures or charts |
| B | Talk about my ideas with others |
| C | Be the note taker |
| D | Help gather supplies for the project |

| When I study I... | |
|-------------------|-------------------------------------|
| A | Review graphs and pictures |
| B | Have someone quiz me |
| C | Practice writing my answers |
| D | Use manipulatives to help me answer |

| When I am older I would like to be... | |
|---------------------------------------|--|
| A | A graphic designer, an engineer, or a photographer |
| B | A musician, a lawyer, or a guidance counselor |
| C | An author, a librarian, or a book editor |
| D | A dentist, a hairdresser, or a construction worker |

Now add up your:

| A's | B's | C's | D's |
|-----|-----|-----|-----|
| | | | |

Results

If you answered mostly A's...

You might be a Visual Learner!

This means that you often understand and remember things better when you see them. You might learn better by seeing things in pictures, videos, charts, or graphs.

If you answered mostly B's...

You might be an Auditory Learner!

This means you often understand and remember things better when you hear them. You might learn better by having things read to you or through song.

If you answered mostly C's....

You might be a Reading/Writing Learner!

This means you often understand and remember things better when you read or write them for yourself.

If you answered mostly D's...

You might be a Kinesthetic Learner!

This means that you often understand and remember things better when you do things. You might learn better by moving or doing things that are hands-on.
